RE: Careers Guidance Advisor

Assalamauailaikum w w

Dear Parents,

We have arranged for careers guidance advisor to attend our school on week commencing Monday 9th October 2023, Inshallah.

As you are aware, Year 11 students are now at a critical juncture coming to the end of their School education and will soon be embarking on Post 16 education. They will need to make informed decisions which could impact their career pathways in the future. For this reason, and to ensure that our pupils make the best choices to their chosen pathways, we would like to offer all pupils this opportunity to explore all possible routes with a qualified careers advisor.

Year 11 students will be given a 30-35-minute slot with an advisor during school time on one of the days to discuss their career prospects. If you would like to attend and join in your child's session, then please contact me in advance to arrange a suitable time. We will be offering appointment on a first come first basis.

Jazakallah Khair

Wassalam
