## AND ALMOST TO AN END WE COME ONCE AGAIN - JAZAKALLAH AL KHAIR

Jazakallah al Khair to **ML Yusuf, ML Mohamed, Br Ahmed and MI Muhammad Arob Ali** for all their support and hard work during their time at Tawhid. May Allah accept from you and bless you in both worlds, Aameen. We wish you all the best in your new endeavours and success. Please do stay in touch with us.

Jazakallah al Khair to **all our pupils** for their hard work, effort and commitment throughout this year. We thank you for the joy and your achievements to bring to the school

Jazakallah al Khair to **all the Staff** for all their hard work and efforts throughout the year and especially this last half term. By no means has it be a walk thorough. I would like to thank you all for pulling together as a team and seeing the year through with flying colours, Mashallah.

Alhamdulillah through your hard work we managed to deliver an engaging enrichment programme this Term with all classes participating in numerous activities and events.

Jazakallah al Khair to **Mr Bilal** for leading on the 5 a-side as well has accompanying Year 11 to Morocco, the Year 10 Paintballing and to top it off the Taboo competition as well as the Sports day in between. What a performance, Mashallah.

Jazakallah al Khair to **all the Tutors** for supporting their classes with the end of Year trips and events. This would not have been possible without your contribution.

This half term is all about enrichment and as you can see from the events we have Mashallah achieved this. What this tells me is that Allah's help is with us always in every good we try to do. Certainly in this institution we have come to experience this that whatever the situation, we know that through some way Allah will take us through. We have a spirit of "We can do this". This is because of the pure intention we work with and our goal is clear and for one purpose only, to please Allah (SWT).

We wish all our pupils, parents and staff an enjoyable and peaceful summer holidays ready to be back for another exciting year in September Inshallah.

We **cannot** make enough Suhkr to Allah

JAZAKALLAH AL KHAIR ALL

# School 5-A-Side Football Tournament 2024

Our 5-a-side football tournament took place during a short spell of hot and sunny weather at the end of June – no blame if you can't remember such weather!

In terms of the action, there were some very exciting (& controversial!) matches and for the first time ever, one team, Badr, dominated every group in both junior and senior sections, coming top in each of their mini mini-leagues. Tabuk A juniors soon asserted their dominance in the knock out phrases however and went on to secure a closely-fought victory on penalties v Hudeybiah B in the final . Badr A finished 3rd.

In the seniors, Badr B wiped the floor with the rest of the teams with 8 straight wins through the group stages to the final. A remarkable achievement! Badr A were second, Hudeybiah A third.

## Senior Champions: Badr B

Salah Eddin Khelifi
Abdur Rahman Khalif
Yaqub Adam
Fowsi Siad
Dawud Arefin
Heitham Sheriff

### Senior Final

**Badr B 3 - 1 Badr A**

**Top scorer:** Salah eddine Khelifi, 17 goals

**Best Goalkeeper:** Yaqub Adam

## Junior Champions: Tabuk

## Presentation Morning

# Year 11 Morocco Trip

Year 11 students went to Morocco for their final trip together, and what a trip it was! From viewing natural beauties such as the Ouzoud waterfalls to quad biking in the Agafay Desert and shopping in the bustling city center of Marrakech or just chillin' at the beautiful villa, the students and staff helpers including Uncle Ilyas, Mr Jamadar, Mr Bilal and Mr Said (Fuad's dad) had an unforgettable time.

## Year 8 & 9 Go Ape Trip

A vibrant and lively group of Year 9 students, donned in protective helmets and harnesses, are captured amidst the lush greenery of Go Ape, Alexander Palace. A handful of students are seen gripping onto zip lines, their faces lit up with excitement as they swing through the verdant canopy. Others are concentrated on maneuvering through the treetop obstacles, showcasing their balance and courage.

## Year 10 Paintball Trip

Year ten's paintball trip was an exhilarating experience. After gearing up and listening to vital safety instructions, the class divided into two teams and assumed combat on the diverse and challenging terrains that made each game unique. The thrill of strategizing and the adrenaline rush of firing and dodging paintballs made it a fun and exciting day, perfect for team-building and just letting off some steam after a year of hard work.

## The Blessed Month of Muharram

With the sighting of the new moon the Islamic new year is ushered in. The first month Muharram, is a month of great reward and virtue. Muharram itself means 'sacred' and is from those months which have been mentioned as sacred in the Holy Quraan.

Almighty Allah states in the Holy Quraan: "Four of them (Zil-Qadah, Zil-Hijjah, Muharram and Rajab) are sacred."

(Surah At-Tawbah:36)

**DUA WHEN THE NEW YEAR BEGINS**

Hadhrat 'Abdullah Ibn Hisham (Radiyallahu 'Anhu) reported that the Sahabah (Radiyallahu 'Anhum) would learn the following Dua for when the new month or new year would begin :

اللَّهُمَّ ادْخِلْهُ عَلَيْنَا بِالْإِيمَانِ وَالسَّلَامَةِ  
وَالْإِسْلَامِ. وَرِضْوَانِ مِنَ الرَّحْمَنِ وَجِوَارِ مِنَ الشَّيْطَانِ.

O Allah, bring this (month or year) upon us with security and faith, safety and Islam, and Your pleasure, and protection from shaytaan.

- Al-Mu'jamul Awsat of Tabarani, Hadith: 6237

### Virtues

From out of the four sacred months, Muharram has been blessed with certain specific virtues:-

The Holy Prophet Muhammad (Sallallahu-Alayhi-Wasallam) said: "The best of fasts besides the month of Ramadhan is the fasting of Allah's month of Muharram." (Muslim)

In another Hadeeth, Hazrat Ibn Abbas (Radhiyallahu-Anhu) reports: "that the Messenger of Allah (Sallallahu-Alayhi-Wasallam) said: "The one that keeps a fast in the month of Muharram will receive the reward of thirty fasts for each fast (in this sacred month)." (Tabraani)

Although the fasts of the month of Muharram are not obligatory, the one who fasts in these days out of his own will and choice is entitled to a great reward by Almighty Allah. The Hadith cited above signifies that the fasts of the month of Muharram are the most rewardable among the Nafl fasts i.e. the fasts one observes out of his own choice without being obligatory on him. The Hadith does not mean that the reward promised for fasts of Muharram can only be attained by fasting for the whole month. On the contrary, each fast during this month has merit. Therefore, one should take advantage of this opportunity.

**The merit of fasting 'Ashura'**

And the Prophet (prayers and peace of Allah be upon him) was asked about the merit of fasting 'Ashura Day, thereupon he said: "It expiates the sins of the preceding year"  
[Reported by Muslim].

## Computer Science

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Assalamualaikum,

### Year 10 GCSE

Year 10 - Alhamdulillah year 10 managed to show a tremendous effort for the mock exams. They really managed to put the effort in and bring up their scores. There is still some work to be done and with this level of resilience they will inshallah get the top grades going into 2025 GCSE's. we only have units 2 and 3 to complete and then they will be finished with all units. From their onwards they will be going through tough revision to get the best grades.

### Year 7, Year 8 & Year 9

Year 7 – We have successful have now completing our Unit on the small basics and Graphic's. This amazing class has made tremendous progress and has shown they understand all the topics we have covered. We also managed to create some exciting Quizzes to help understand the essences of coding.

Year 8 – In the beginning of the term learnt about animations and creating animations with flash. Further into the term we used a program called small basics to create quizzes and understand the basics of python coding.

Year 9 – With the use of Python coding, Students have made great progress in creating a programs. We have expanded into our python knowledge by working on the likes of flowcharts and the loops. These are some fundamental coding practices that we have now Alhamdulillah put into place. We will inshallah carry this on and put them into practice in the next year for the GCSE's.

Jazakallah for your support in our mission to strive for computer science excellence while maintaining our Islamic values. I look forward to finishing the year filled with exciting developments.

## Staff Inset Day

Alhamdulillah the teachers had their First Aid training during our inset day on the 17<sup>th</sup> of July. The course is designed specifically for staff in schools and academies, the course equips all staff working in schools and academies with sound basic first aid skills, to ensure practice in your setting is safe and secure.

Nose Bleeds; Insect Bites/Stings; Limb Injury; Electric Shock; Sunburn; Burns; Low Blood Sugar – Hypoglycaemia; Asthma Attack; Anaphylaxis; Drowning; Head Injury; Eye Injury; Seizures; Wounds; Choking; Stroke; Recovery Position; Cardio-pulmonary Resuscitation (CPR).

# Year 10 Work Experience

## Year 10 work Placement

Alhamdulillah, all our Year 10 students attended a one-week work experience placement from 1<sup>st</sup> July 2024 till 5<sup>th</sup> July 2024

These placements enable our students to work in organisations such as medical, catering, professional environments etc.

This experience benefits our students where it builds skills such as team building, communicating, and dealing with real life challenges. Alhamdulillah they meet all these with a positive attitude and commitment to succeed.

Jazakh'Allah Khairan for all the parents who helped source work placements for our students.

## Feedback from a member of the public

Assalamualaykum wa rahmatullahi wa barakatuh,

I pray you are well and in the best of health and eaman.

I wanted to share a positive encounter I had last week with a group of boys from Tawhid Boys School of year 11.

I went to a fast food shop on Friday last week, in Turnpike Lane. There were many young teenage boys inside all dressed in thobes. They were ordering food and were all talking to one another, what I noticed almost immediately was that they were speaking in a low tone, not your usually loud intimidating shouting that you get from young boys nowadays. The boys were all very respectful of the premises and other customers. They ordered their food and sat down waiting for it to be given to them.

I was really impressed by their manners that I asked one of the boys what school they were from, they told me they were from tawhid boys school. I asked them if they enjoyed the school and what they thought of it, I have a young boy that I am hoping to send to an Islamic secondary school in the futures, hence my enquiry. The young boy told me he was in year 11 and completed his GCSE's, he told me the school was very good and the teachers were good. He told me his results from his mocks and I was super impressed mashaAllah. I did ask a lot of questions and he answered them well and respectfully.

I left the shop feeling really positive about the school. The manners of the young boys was enough to encourage me to send me sons there in the future Insha'Allah.

I thought I'd email the school to let them know about the great job they were doing for the boys in our community. May Allah reward you all and place barakah in your school Ameen.

Kind regards,  
Umm Hanifah
